Dear Mr. Theisen:

I tried to reach you by telephone today. However, in your absence, I would like to confirm that we will be obtaining soil samples from the Selmer site in Elkhart, Indiana on Wednesday, April 26, 1989.

I expect either you or the designated agent will be there between 10:30/11:00 a.m. to witness the sampling and obtain split samples. When you arrive at the site located at 600 Industrial Drive, please ask for Mr. Herb Kirts. He will direct you to the sampling area. Also, please reserve Monday, May 22, 1989 at 10:00 a.m. for a visit with you in your office to review any existing data for the Elkhart area in general.

Thank you for your attention.

Sincerely,

Ann C. Pizzorusso
Director
Environmental Affairs
